## CUSTOM BRANDING

MidWest Quality Gloves has the ability to brand any of our leather gloves to give our customers an added special feature.

# USA STYLES

The durability of American buffalo is one of the strongest materials known to man. Buffalo leather is a natural material that breathes a lot like our skin. American buffalo leather is unmatched in durability and rugged wear. It is selected for its strength, wearing pattern, and softness.

# LIGHT-WEIGHT GRIPPING GLOVE FOR ALL-WEATHER ENVIRONMENTS

## Antimicrobial

Treated to help prevent bacterial growth

Nitrile coating for unparalleled gripping power

Merino liner made from natural fibers regulates climate capabilities for year-round performance

Two-way moisture vapor technology fibers absorb when it's hot to keep hands cool - fibers condense when cold to warm hands

Hypoallergenic fibers for those with sensitive skin

Odor resistant - Fibers absorb odor molecules and only releases them upon washing

Washable and dries quickly
